

The background consists of a repeating pattern of wavy, vertical lines in two shades of blue and yellow. In the center, there is a logo featuring a yellow crescent shape with a dark blue oval inside it. The text ': Fiber' is written in white inside the oval, and 'Pools & Spas' is written in a smaller, italicized font below it. There are also several small, light blue and yellow circles scattered around the central logo.

Fiberglass is the future

Design, technology, superb finish and factory warranty: all reasons to have a Fiber swimming pool. Over 20 years of research, innovation and experience have resulted in the creation of world class fiberglass swimming pools and spas. Fast and neat installation, non-porous and leak proof, easier and simpler maintenance, greater durability, colors, shapes and sizes that fit all tastes, spaces and budgets.

Prime quality by design

- Superior design and engineering with sustainable use of high quality materials
- Sturdy yet light multi-layered chopped fiberglass structure
- Strength and flexibility on the corners provided by woven roving layer
- Vinyl ester resin for blister resistance
- Non-abrasive gel coat surface with no sharp edges
- Smooth and even pool finish secured by highest mould treatment standards

Our pools are tested according to the highest international standards of ICC for:

- Tensile strength
- Flexural strength
- Hardness
- Impact
- Weathering
- Chemical resistance

Fiber has been designing and producing fiberglass swimming pools since 2002, with four state-of-the-art manufacturing facilities.

Fiber is committed to the highest standards of quality, supported by an international network of highly skilled professionals.
